RE: Petition of South Carolina Electric & Gas Company for Updates and  
Revisions to Schedules Related to the Construction of a Nuclear Base  
Load Generation Facility at Jenkinsville, South Carolina  
Docket No. 2012-90-E

Dear Ms. Boyd:

By letter dated March 13, 2012, in the above-referenced docket, the Clerk's Office of the Public Service Commission of South Carolina instructed South Carolina Electric & Gas Company ("SCE&G") to (i) publish, on or before March 19, 2012, the enclosed Notice of Filing and Hearing ("Notice") in newspapers of general circulation in the affected areas and (ii) furnish each affected customer by U.S. mail, or by electronic mail to those customers who have agreed to receive notices by electronic mail, the Notice. In both instances, the Clerk's Office instructed SCE&G to furnish the Notice on or before March 19, 2012.

SCE&G has contacted the newspapers in which SCE&G plans to publish the Notice and has been informed that the Notice can be published in compliance with the March 19 publication deadline. However, the March 19 deadline for providing SCE&G's electric customers with a copy of the Notice is more challenging and cannot be achieved by March 19, 2012, without additional expense through a special mailing.

Special mailings involve additional production, handling and postage costs. In an effort to reduce customer operations expenses, SCE&G seeks whenever possible to avoid special mailings to its approximately 660,000 electric customers. Instead, SCE&G includes notices as an insert in customers' monthly bill statements. However, because SCE&G issues its bills to customers in cycles, it can take more than thirty (30) days to complete a mailing to all electric customers in all the billing cycles.

(Continued . . . )

In this docket, SCE&G cannot meet the March 19, 2012 notice deadline contained in the Commission's recent letter through a bill insert. However, if the deadline were extended to April 25, 2012, a bill insert could be used, and the costs of a special mailing would be avoided. We have reviewed the schedule for hearing and testimony in this docket, and have not identified any problems that would result if the notice date were extended. For that reason, SCE&G respectfully request that it be allowed until April 25, 2012, to provide the Notice to each affected customer.

By copy of this letter, we are notifying the South Carolina Office of Regulatory Staff of SCE&G's request.

If you have any questions, please advise.

Very truly yours,
